

COMMERCE PLACE EDMONTON SECURITY

PARKING AND VEHICLE SAFETY

Commerce Place has a three level underground parkade that is accessible to tenants 24 hrs a day. There is a parkade attendant during regular business hours and early evenings. Commerce Place Security Services has taken steps to ensure a safe parkade for everyone. Some of the security measures taken are:

Camera coverage of the entrances.

Mirrors in stairwells.

Windows in stairwell doors.

Panic alarms throughout parkade.

Security Officer Patrols.

Security Officer Escorts.

Although Commerce Place Security continues to strive to improve our Parkade Security System, there are steps you can take to mitigate the risk of being a victim to crime.

Before leaving for the parkade have your car keys in your hands.

Walk directly to your vehicle.

Observe your surroundings. If you see suspicious activity or someone loitering in the area go back to the building and contact Security.

Look into the back seat of your car before entering.

Keep windows rolled up.

If someone approaches your car and wants to talk, do not get out of your vehicle.

If someone tries to prevent you from leaving or attempts entry to your vehicle make noise to attract attention (car horn, turn lights on and off).

COMMERCE PLACE EDMONTON SECURITY

Commerce Place Security Officers are available to escort you to your vehicle. Please call ahead of your departure time to make an appointment to insure that a Security Officer is prepared and you do not have to wait until an Officer is available. Security can be reached at (780)944-0903.
